

Greetings from St. Joseph's Hospice,

Welcome! On behalf of the Organization, Staff and Board of Directors, we would like to thank you for considering volunteering your time with St. Joseph's Hospice. Here at Hospice, we recognize that time is a very valued asset, and we are greatly appreciative that you are planning on sharing it with us.

Included, in this welcome package, are a few resources that may be helpful to you as you reflect on the decision to becoming a Hospice Volunteer. Within this package, there is an application form, a brochure about Volunteering at Hospice, a document outlining important considerations when applying to become a Hospice Volunteer, the on-boarding requirements checklist for volunteering and a list of our upcoming Volunteer Orientations for the year.

Should you decide to move forward with the application process, please fill out the included Volunteer Application and return it to St. Joseph's Hospice at 475 Christina St. N. We ask that you please read over the list of considerations provided, mindfully, so you may make an informed and confident decision.

Our volunteers truly are the heart of Hospice. We would not be able to do what we do, here at St. Joseph's Hospice, without our volunteer's support, dedication and hard work. We are always striving to grow our Hospice Family and continue to provide the best compassionate care to those we serve.

We look forward to receiving your application and meeting with you soon for an interview. Thank you for considering St. Joseph's Hospice!

Sincerely,
